

### Thankful Hearts

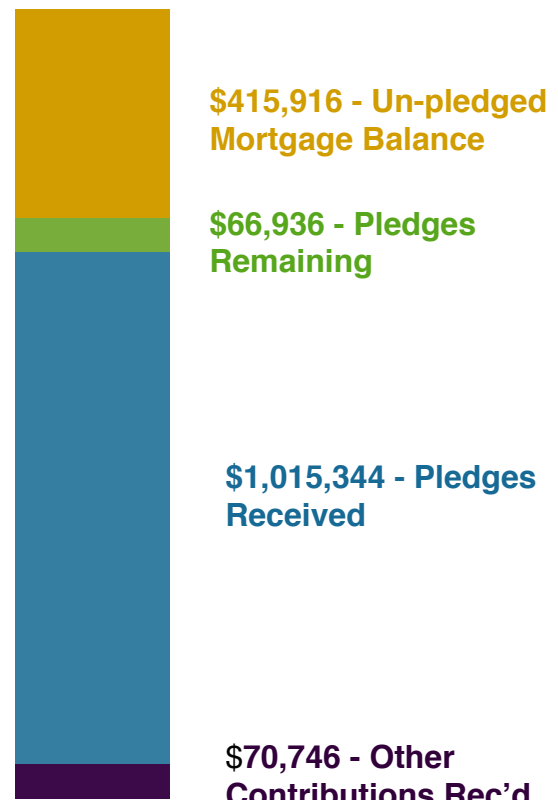

NOT EQUAL GIVING, BUT EQUAL SACRIFICE.

As we accomplish the mission of Prospect United Methodist Church, we have enhanced our building to provide a welcoming environment for all of God’s people today—and in the future as we expand our mission and ministry to the community.

### Thankful Hearts... Continuing to Build for the Future

It’s hard to believe that the first year of our Thankful Hearts campaign has come to a close. In that all-too quick 12-month period, we have reduced our mortgage balance to \$503,558!

As we move into this final year of the campaign, we ask that you continue to pray on how you can contribute to this effort, while also remembering the importance of fulfilling Prospect’s ongoing financial obligations.

### Ad Council Learns to Change the World

As part of their 2010 commitment to *Rethinking Church*, our Administrative Council has devoted some of their meeting time over the past few months to reading and discussing Mike Slaughter’s book, “Change the World: Recovering the Message and Mission of Jesus.”

Coincidentally coinciding with the denomination-wide weekend we celebrated in April, Slaughter’s book has helped enlighten the group and ignited thoughts on how we can make Prospect a more welcoming church. From visiting other churches to walking through ours like an outsider, they are looking at every possible way we can change for the better. If you have any thoughts you’ like to share, please don’t hesitate to discuss them with an Ad Council member.

Please remember, that while we are seeking additional funds to eliminate the remaining building debt, giving to meet the needs of our church on a daily basis cannot be neglected.

## A Different Kind of Fast Food

On the morning of Saturday, May 15, Prospect hosted the 3<sup>rd</sup> Annual St. Jude Breakfast, benefitting the Dunlap St. Jude Runners. This event helps our local team get a head start on their fundraising activities while raising awareness about the upcoming Memphis-to-Peoria Run and Telethon. This year's Breakfast resulted in many full bellies and raised \$1,080 for the St. Jude Children's Research Hospital.

## When a Picnic Comes Inside

The Adult Mission Team held their Annual Indoor Picnic on Sunday, June 6. Established to raise money to help offset the costs of their yearly mission trip, this luncheon featured the very best our grillmasters had to offer. Everyone enjoyed food and fellowship as they helped contribute toward the total donation—a breathtaking \$552!
